

# DECEMBER 2018 IS TINSEL PAWS TIME

## Make your Christmas function a Tinsel Paws Christmas function.

Tinsel Paws registrants receive a Tinsel Paws event pack which includes;

- **A tinsel paws donation box**
- **Christmas tinsel and Christmas bunting for decoration**
- **Christmas balloons**
- **Christmas serviettes**

December is a time for festivities and cheer. A time to gather friends, family and work colleagues to celebrate the year past and to look ahead into the new year of 2019.

SPAW is also reflecting on our year currently and looking forward to 2019. We have a lot planned and hope to provide free veterinary services to around 2,500 animals who would otherwise receive no veterinary care.

We are asking businesses, veterinary clinics and supporters all around New Zealand and overseas to hold a Tinsel Paws event in December to raise funds to help us provide free veterinary care to these 2,500 dogs, cats, horses, pigs, goats, chickens and cows.

So, set a date, gather your friends, family and work colleagues and have some Christmas cheer while helping animals in need.

We will send everyone who holds a Tinsel Paws event a certificate of thanks and we hope to share all events on our Facebook page and website.
